

CESC Report – CAAT-A Local 653 2022-2023
OPSEU Local 653 GMM; May 23, 2023.

As was the case in the previous two academic years, the CESC did not meet in the 2022-2023 academic year. No issues arose this year which triggered either side to call for a CESC meeting, however in recent years the college has had a tendency to decline requests from the local to convene CESC meetings. It is hoped that this situation will improve in the future and that accordingly the college will be receptive to future requests for CESC meetings.

Clint Sheehan

A handwritten signature in blue ink, appearing to read 'Clint Sheehan', written in a cursive style.

Northern College CESC Co-chair – Local 653
